Q. When completing the “Salaries & Wages” and “Fringe Benefits” tabs in the Budget Template, how do we account for additional lines that may be needed for various position titles? The current sheets do not allow for additional rows to be added.

A. Please see the updated version of the budget template posted on 01.12.23.

Q. For clarity purposes only, would P4W like applicants to include a certain percentage supportive service funds for A/DW participants in Budget A?

A. Proposed budgets should include amounts for supportive services that reflect proposed supportive service activities, as described in the proposal.
